FAQ's

Do we need to provide our own glassware?

In the case of full day packages, we will provide the glassware for reception drinks, table wine, and toasting fizz. Our evening bar is fully stocked with appropriate glassware.

What happens if a minimum spend is not met?

Our minimum spend has been calculated to be fair for both us and our clients. If a minimum spend is not met, we will provide you with an invoice for the difference following the event, however this is extremely rare.

We would like Wild Box to provide reception cocktails, while we provide the table wine and toasting fizz. Is this possible?

Yes it is possible, however we would charge a small fee for the additional staff hours.

My favourite beer isn't local, can I still have it on the menu?

Yes of course! While we love to champion local producers, it is your day and we can source anything in particular you would like on the menu.

What if I need to cancel or amend my booking?

All bookings are subject to our terms and conditions, a copy of which you will be provided with before any payment is taken.
